Financial Policy

Usual & Customary Fees: Our fees are comparable to the usual & customary fees charged by like general dentists in this area. These charges are based on the cost of materials, as well as the time and skill involved. These fees are not necessarily the same as what your insurance considers “usual and customary”. We normally require payment in full for your estimated portion due one week in advance, unless other arrangements are made.

Insurance: We ask you assign your benefits to us. Professional care is provided to you, our patient, and not your insurance company. Thus, the insurance company is responsible to the patient and the patient is responsible to the doctor. *We will help in every way we can to file your claim.* We bill your insurance one time as a courtesy to you. Any follow-up required will be the patient’s responsibility. The patient is ultimately responsible for the bill and/or any balance left owing after insurance has paid including finance charges. *We require deposit equal to the estimated amount not payable by insurance as treatment is provided.*

Payment policy for patients without insurance: In an effort to keep dental costs down while maintaining a high level of professional care we have established the following payment plans for the use of our patients. A 5% discount (10% for senior citizens) with cash or check payment in full at the time of treatment for those without insurance. Visa, MasterCard, American Express and Discover are accepted. Extended payments are available upon credit approval from our outside financial institution. Accounts outstanding more than 60 days from treatment dates could be charged interest at 1 ½% per month or 18% per year.

Attorney or Accident Referrals: Patients referred by attorneys and/or involved in accidents, with pending litigation, regarding the accident of injury are responsible for all services rendered regardless of pending legal or insurance action. We require the patient to pay in full at time of service for all third party insurance. We will provide paperwork necessary for the patient to bill the insurance. If additional notes are requires, a charge may be assessed for processing.

Other: A parent must be present with treatment of a minor (under age 18). A \$25 service fee will be assessed for all returned checks. A \$25 charge may be assessed for all broken appointments unless 48 hours notice is given.

Risks of Dental Procedures: Possible (but not limited to) complications include the following conditions: pain, infection, swelling, bleeding, sensitivity, numbness and tingling sensation in the lip tongue, chin, gums, cheeks and teeth, thrombophlebitis (inflammation to a vein), reaction to injections, change in occlusion (biting), muscle cramps, spasms, temporomandibular (jaw) joint difficulty, loosening of teeth or restoration in teeth, injury to other tissues, referred pain to the ear, neck and head, nausea, vomiting, allergic reactions, itching, bruises, delayed healing, sinus complications and further surgery. Medications and drugs may cause drowsiness and lack of awareness and coordination (which can be influenced by the use of alcohol or other drugs) thus, it is advisable not to operate a vehicle or hazardous device or work for twenty-four hours or until recovered from their effects.

Consent to Treatment: I understand that upon request I may receive a copy of this form. I authorize treatment of the person named above and agree to pay all fees and charges for such treatment. I agree to pay all charges for me and members of my family shown by statements, promptly upon presentment thereof, unless protested in writing within thirty days of billing date. In the event legal action should become necessary to collect an unpaid balance due for services rendered to me or my family, I agree to pay reasonable attorney’s fees or other such costs. It is agreed that payments will not be delayed or withheld because of any insurance coverage or the pendency of claims thereon, and all proceeds of insurance are assigned to this office where applicable, but without their assuming responsibility for the collection thereof. (A copy of this assignment is as valid as the original).
